Eric Bever, Council Member

- COMMITTEE:** Cultural Arts Committee
- REPRESENTATION:** At the October 5, 2010 City Council Meeting; Council appointed an additional regular member (original status is 11 regular members & 3 alternate).
- PURPOSE:** The Cultural Arts Committee works with City Council to support cultural arts programs and to bring art awareness to the residents of Costa Mesa, The City of the Arts. This Committee works to establish programs, events and information that help residents access the arts in many different venues, and through multiple sources.
- MEETING SCHEDULE:** The Committee meets on the 2nd Thursday of the month at 6:45 p.m.

MISSION STATEMENT

The purpose of the Cultural Arts Committee is to enhance, promote and support our rich artistic community of Costa Mesa, the City of the Arts.

2011 GOALS/OBJECTIVES:

1. Implement and maintain an Artist and Gallery Association City Website Web page (located on Cultural Arts Committee City Webpage)
 - Directory of Costa Mesa Artists (Free Membership- includes artist name; art media; email address and website info)
 - Networking opportunities for Costa Mesa Artists (meet & greet mixers at CM galleries)
 - Directory map of Costa Mesa Galleries and event advertisement
 - Networking opportunities for Costa Mesa Gallery owners (meet & greet mixers at CM galleries)
2. Continue to obtain Sponsorship donations
3. Implement "Food and Art" related event
4. Create a Sub-Committee to oversee displayed art in the City Hall Youth Art Gallery
5. Conduct 2 Juried Artist Showcases and Art in the Park
 - Incorporate Performing Art at each Artist Showcase
 - Provide a Art Broker to sell Art at Artist Showcases
 - Integrate local businesses and galleries involvement in each Artist Showcase and Art in the Park
6. To obtain measurable achievements (i.e. surveys)
7. Staff Liaison continues to monitor and promote upcoming Committee and CM Gallery/Artist events on Facebook page.

LONG TERM

1. Permanent Art Gallery to display art work of Costa Mesa artists
2. Provide City Council with advice relative to issues relating to Cultural Arts

2010 ACCOMPLISHMENTS

1) Artist Showcase

- Artist Showcase XIII was held at Whittier Law School (3333 Harbor Blvd) on Saturday, March 13 from 6-10pm. All art was juried and 40 artists exhibited juried selected piece(s) (72 pieces shown) of art. A featured artist was selected to use their art piece as the graphics for the flyer and allowed to display all three submitted pieces. Mesa Art and Engard Arts displayed pieces. The venue and water were donated. eVocal entertainment was utilized. Over 300 people visited the showcase.
- Over 300 artists are emailed on upcoming Artist Showcases
- Fifteen new artists were selected to show art pieces.

2) Sponsorship program was approved by the Community Foundation to assist in offsetting future events and projects cost. Brochure was designed and distributed.

3). Provide four "Art in the Park" events during the Summer Concerts in the Park series. Donated face painting, craft supplies and paints for each of the four concerts. Mesa Art donated 4 four x four display boards for participants to paint; design was created by SOY participants. Hurley donated T-Shirts for participants to purchase for \$5 to paint; \$470 was raised.

4) Cultural Arts Committee Facebook page promoted Vanguard University Theatre and Arts & Learning Conservatory productions, Engard Arts and Mesa Arts openings, Art in the Park and Artist Showcase XIII.

5). Youth Art Gallery booked for entire year

1. Indicate why you wish to serve on this Commission/Committee/Board:

I have had the pleasure of working in Costa Mesa since 1981 and living in Costa Mesa since 1995.

Throughout my life I have had a passion for the arts, and as the executive director of The All-American Boys Chorus I have the opportunity to work at something that I love to do.

Costa Mesa is the cultural center of Orange County; with the marvelous Orange County Performing Arts Center and South Coast Repertory theaters in our midst.

As the City of the Arts it is important for Costa Mesa to cultivate and engender a love for the arts among our own citizenry, especially young people. This goal is best accomplished by increasing awareness of, accessibility to, and participation in the performing and visual arts across a broad spectrum of programs, venues and events at the local level.

I have greatly enjoyed being a member of the Cultural Arts Committee, and I would be honored to continue working on further developing the many fine arts-related programs already in place in Costa Mesa, and also work with the other members of the committee to create and foster new avenues and methods of bringing the arts to more residents of Costa Mesa.

2. Indicate any experience or qualifications you possess that might apply to the Commission/Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

In 30 years as the business manager and then executive director of The All-American Boys Chorus I have developed, produced and directed many events related to the performing arts (concerts, tours, camps, festivals), as well as helped in collaborations with Opera Pacific, the Pacific Symphony Orchestra, William Hall Chorale, Orange County Women's Chorus, Men in Black, summer-time Orange County Fair, spring-time Orange County Fair Youth Expo and the Festival of Children held each September at South Coast Plaza.

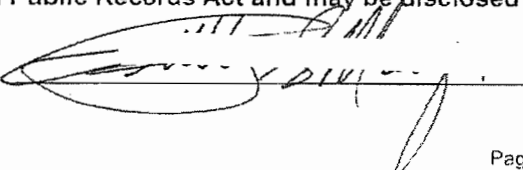

I have worked on the development of the AABC's Music Outreach program, which we have implemented locally and throughout the United States on over 25 concert tours and which has involved over 35,000 children since 1995.

I served on a committee that was jointly put together by the Western Fairs Association and the California Arts Council to explore ways to bring more of the arts into county fairs throughout the state as a means of increasing public awareness of the arts.

I studied piano for 12 years and played in the National Guild of Music Teachers piano adjudications for 8 years as well as the Certificate of Merit program. I also currently am the piano accompanist for The All-American Boys Chorus on tour.

1. Indicate why you wish to serve on this Commission/Committee/Board:

Costa Mesa is self named 'city of the arts'. In our borders we have the Segerstrom Center, South Coast Repertory, California Arts Institute, Pacific Symphony and a number of venues/businesses that are part of the world of music, painting, photography, culinary arts, automotive art, custom wood/metal/fabrication, and more.

The arts, including textile design and fashion, are a driving force in our towns economy.

I'd like to see more recognition of the importance of the arts to our lives in Costa Mesa. Serving on this committee is a step in that direction.

1. Indicate why you wish to serve on this Commission/Committee/Board:

When I saw the ad in the Costa Mesa city newsletter looking for volunteer for Cultural Arts committee, I had the desire to serve on the committee to be part of an organization for youth and artists. The mission for this committee touches close to my heart: establishing a Youth Gallery in City Hall and maintaining a directory of local artists.

I am a Costa Mesa resident who is a full-time artist working at the Irvine Fine Arts Center as contract art instructor, teaching art to all ages (Grades Pre-K- 12 and adults). I am also a resident artist for the Costa Mesa High School's ceramics program. In addition, I am currently enrolled in the California State University, Long Beach teaching credentialing program for Single Subject in Art to become a high school art teacher. I also participated in the Community Development art program for low-income families as art instructor as a way of contributing back to the community that I treasure and live in.

My experiences as public and private school teacher and as instructor for various organizations put me at the heart of youth education. My daily contact with students and parents keeps my reality in check and provides me an accurate perspective of their educational goals and needs.

I teach all ages and have a great affection for my students; however, I have decided to teach high school students long-term because I know it is such a difficult age. There is much help needed in guiding and mentoring these students. The Youth Gallery at the City Hall would be an opportunity to affirm our city's youth who have shown artistic talent and potential and to assist them in growing their dreams of becoming an artist.

To our local artists, this organization offers support through cultural arts programs and brings art-awareness to local residents and businesses. The opportunity of networking with other local artists would allow Costa Mesa resident artists, including myself, to make connections and to participate the important mission of supporting our student artists.

I have a passion to organize and plan events for artists to show case their work and assist local businesses and galleries to get more involved.

2. Indicate any experience or qualifications you possess that might apply to the Commission/Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

I have many years of teaching experience in both public and private schools. I have served on numerous committees and worked with many organizations to plan, organize, and host events of all types.

As a Senior Office Assistant in government agency, I assisted in the organization of events from the planning stage to finish (e-mail communication, scheduling, creating a committee, and delegating assignments).

Currently, I am attending the California State University Long Beach teaching credential program for Single Subject in Art with the goal to become a high school art teacher.

Whether as a teacher, an artist, or as an art teacher, I cannot allow myself to bypass this opportunity to affirm and support children who have shown artistic potential by providing information or instruction based upon my many years of experience. I am finding that I have become a better artist and person because of all of the encouragement and instruction that I have provided others. The more that I listen to my own teaching, the better of an artist I have become and the greater the output of creative juices.

I HAVE LIVED IN THE COSTA MESA (SOCOMETRO) AREA FOR 35 YEARS, IT EXCLUSIVELY IN NORTH MESA VERDE.

I HAVE BEEN ATTENDING BOTH THE CULTURAL ARTS AND HISTORIC COMMITTEE'S EACH MONTH FOR NEARLY A YEAR. WHEN UNABLE TO ATTEND, I FOLLOWED THESE TWO COMMITTEES THROUGH AGENDAS/MINUTES (WHEN POSTED) AT THE CITY'S WEB SITE; ALSO ONLINE, CMTV AND LOCAL PUBLICATIONS. I HAVE ATTENDED NUMEROUS EVENTS SPONSORED BY BOTH, AND OTHER LOCAL NON-SPONSORED EVENTS SUGGESTED BY EACH COMMITTEE; WHEN NOTICED.

DURING 2011, I HAVE BEEN ESPECIALLY ACTIVE WITH THE CULTURAL ARTS AND IN DIALOG WITH MANY OF THE SITTING MEMBERS. PER COUNCILMAN BEVER'S SUGGESTION, I HAVE BEEN SUBMITTING SUGGESTIONS; LENDING WHATEVER SUPPORT (TO BOTH COMMITTEES) ALLOWED UNDER THE CITY'S BYLAWS. WHEN ASKED, I HAVE VOLUNTEERED MY TIME TO ASSIST THE BUSY MEMBERS WITH RESEARCH AND PUT FORWARD INFORMATION ALLOWING THEM THE NECESSARY TIME FOR PLANNING AND EXECUTING SCHEDULED PROJECTS/EVENTS.

I am interested in serving on the Cultural Arts Committee because as an avid supporter and lover of the arts, I feel that I have a strong understanding of just how important the arts are to the overall health and well being of a community. I am familiar with many of our local Costa Mesa artists and I would truly enjoy being part of a committee that would strive to support them.

There are many ways to enhance the cultural arts within a city and I would be more than happy to serve on this committee and explore the ways in which to do just that. I cannot think of a better way in which to serve Costa Mesa than by giving my time to this committee.

Lisa Grant

I am enthusiastic about the Cultural Arts Committee's current agenda regarding the Arts in Costa Mesa. I would like to advance and continue my participation in the art community of Costa Mesa via the Cultural Arts Committee and its agenda. As an artist, art and museum studies student, and recognized public historian, I feel that I can bring a fresh eye to the Committee, an eye aimed at both reinforcing and expanding Costa Mesa's current art community, and broadcasting that community to the rest of the world. An end result of more global attention to our art community could be more visitation and dollars earned for the City and the City's art community.

Regarding my interest in bringing the Arts of Costa Mesa to an international stage of recognition, I feel that I am in a unique position to facilitate this as the Assistant Director of the Costa Mesa, CA – Wyndham, Victoria, Australia Sister City Education Exchange Program. I recently returned from the Exchange trip with seven outstanding Estancia High School students. Extraordinary works of art were witnessed, from Australian Aboriginal paintings in a museum to student art to the modern painted Laneways of Melbourne. Like Costa Mesa, Wyndham not only produces its own artists, but is adjacent to a major city with even more to offer. It seems natural that a country with one of the oldest painting traditions in the world should partner in artistic exchange and awareness with our Costa Mesa, The City of the Arts.

I would like to bring new ideas, explore and participate in the ongoing activities of the Committee, and inject my enthusiasm for Cultural Arts into the community.

Thank you for your time and consideration.

Costa Mesa Historical Preservation Committee

I wish to serve the City of Costa Mesa as a member of the Historical Preservation Committee because I have lived in the city for over 15 years and I love the rich and vibrant history of the city. From Goat Hill to the Santa Ana Army base (now the fairgrounds and Vanguard University) Costa Mesa is an amazing city with a great story to tell and all the citizens of the city should embrace and understand the historical impact of Costa Mesa in order to help grow the city for the future.

As a History graduate, I know the value of remembering the past generations in order to equip the future generation to achieve greatness and I believe Costa Mesa History is important for all our citizens. I recently taught a merit badge course to my Scout troop on citizenship in the community and the boys had to present a history of the city, which was very enlightening. I feel that if our youth understands their history and where they come from, they will preserve and protect the city for their children and on.

I hope that I can serve on the Historical Preservation Committee and can help grow the numbers of citizens appreciating and protecting our wonderful Costa Mesa History through events, displays, and activities.

Sincerely,

Roshele I. Snyder, Esq.

The Costa Mesa City Council
P. O. Box 1200
Costa Mesa, CA
92628-1200

Dear Councilmembers:

I am applying for appointment to City's Parks, Recreational Facilities and Parkways Commission.

I am married to Clarisse since 1965. We have lived in Costa Mesa since 1971. We have two sons both of whom attended Newport Mesa public schools. I am retired from gainful employment.

EDUCATION:

1. Graduated from Cleveland Heights High School in June 1953.
2. Graduated from the U. S. Naval Academy with a B. S. in June 1957.
3. Completed two years at night at the Cleveland Marshall Law School, Cleveland, Ohio, from September 1965 to June 1967.

PROFESSIONAL RECORD:

1. Served as a Commissioned Officer in the U. S. Navy from June 1957 to June 1965.
2. Employed as a Purchasing Agent by the Cleveland Electric Illuminating Co. from September 1965 to May 1969.
3. Employed as an Account Executive by Merrill Lynch from May 1969 to July 1973.
4. Employed by the Allstate Insurance Co. as a bodily injury claim investigator and litigation specialist from July 1973 to February

1996.

5. Employed by Pioneer Claims Service as an investigator from March 1996 to November 1999.

PUBLIC SERVICE:

1. Served on the City's Transportation Commission from March 1989 to December 1993 during which I was the Chairman for two consecutive years. One of the major projects completed in that period was the widening of Victoria St.

2. Served on the Parks Commission from April 1994 to January 2001 during which I was, as I best remember, the Chairman for two consecutive years. Major projects undertaken during that period were the continuing refinement of the Master Plan for Fairview Park and the completion of the Farm Sports Complex. During the last year on the Commission, we took the first steps to locate and approving Costa Mesa's first Skateboard Park.

In the almost four years since I last served on the Commission, the City has successfully located and begun construction of a Skateboard Park. I spoke several times before City Commissions and the City Council in support of the location in TeWinkle Park.

In the near future the City needs to locate a second Skateboard Park. The City also needs to locate and establish additional park facilities.

I know most of the Senior Staff in Parks and Recreation matters and have worked successfully with them.

I look forward to again serving on the Parks Commission.

Please let me know when I can meet with each of you about this appointment. My phone number is 714-557-9375 and my E-Mail address is kuscvoli@aol.com.

Thank you very much.

Very truly yours,

David J. Stiller

Except for my first job out of graduate school (1 year as a Wall St. securities analyst) my experience has been managing my own and family accounts.

I take a world view on the subject of investments.

In the current turbulent environment, rates of return are terribly low. Being risk-averse is a very high priority.

The city can't afford to make mistakes.

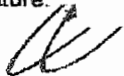

I follow the markets closely day to day.

My focus of review would be on

I desire to serve on the Investment Oversight Committee for a number of reasons.

I would like to help this city. I would also like to keep busy (retired now). I want to learn more about government operations. I want to give something back to the community.

I believe that my 30-year career in banking (lending side) and my knowledge of investing qualify me to serve. I have done well in the stock market. I have educated myself and consider myself to be a member of the Warren Buffett school of thought.

I believe that public monies must be conservatively looked after. I am sure that I can contribute so as to make sure the city's money is not put at risk. I can read and understand a balance sheet, income statement, cash flow statement. I am familiar with the bond market.

1. Indicate why you wish to serve on this Commission/Committee/Board:

I am a homeowner and 28-year permanent resident of Costa Mesa. My intent is to raise a family here. I would like to take an active role in the health of this city, so as to ensure my children benefit from the same community environment I enjoyed in my youth.

My education background and business experience enable sound judgement and even-handed decisionmaking. I am adept at both oral and written presentation, and I enjoy working in diverse group situations.

I have specific experience in investment analysis, program management, and also conflict resolution. I would like to combine my affection for Costa Mesa, and my skills and experience, by serving on the 3R Committee.

Thank you for your time and consideration. Please contact me with any questions.

RE. 3R Com.

I have enjoyed my years of service on the 3R Com. It has given me the opportunity to watch our city grow and change in needs, also to watch agencies merge which has been a good thing and a real challenge to expect. I feel it is important to have a good reputation and a good representation from all areas of our city. I am able to bring to the table a great deal of experience not only with a background of the Costa Mesa, Int, O. C. also. It is important to have someone who has a good background of the community and our 3 R committee, My attendance is good.

I look forward to serving another term if given the honor.

1. Indicate why you wish to serve on this Commission/Committee/Board:

I am a long term resident of Costa Mesa. I moved here first in 1967, and most recently in 1986. I have lived on the west side of Costa Mesa (Whittier Avenue) for more than 24 years, and have remodeled my original Freedom home into the nice suburban home it is today.

The future of Costa Mesa depends in large part on maintaining and improving its residential and commercial zones. Costa Mesa is a wonderful place to live and to work, and I feel it is important to maintain that 'homey' residential atmosphere while we support opportunities for business growth.

Revitalization of the west side of Costa Mesa is a high priority for me. I am interested in programs that encourage and support home owners to improve their properties. The possibility of multiple-use overlap zones, that allow individuals to live and operate small businesses in the same space, is appealing.

1. I have been part of the community for over two decades and want to see our city continue to develop and prosper as one of the best cities in Orange County.

I think Redevelopment is an important part of planning, and my familiarity with the city and its needs will be beneficial for all concerned.

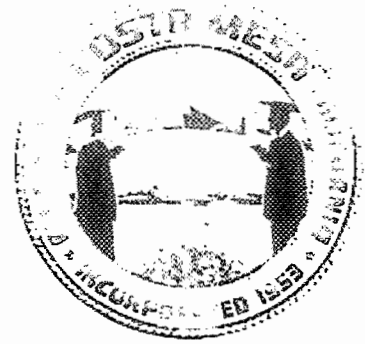

2. I have been an attorney since 1988. My office has been in Costa Mesa from 1991 through the present. I have handled thousands of Bankruptcy and civil cases for both individuals, couples, and businesses that involved real estate and complex government regulations. I can help the city's attorneys interpret and apply various laws and regulations as they pertain to redevelopment. My involvement might save the city money at a time where there are funding and budget issues.

At the least, the city council would have the benefit of my legal and business experience and knowledge without charge.

1. Why do I wish to serve on this Committee?

I desire to do what is best for our community and to present a favorable business environment not only for those currently doing business here but for those wishing to locate/relocate.

I have been a small businessman for years. By necessity I have dealt with attorneys, city administrators, contractors, and landlords to ensure that I met and continue to meet all the legal requirements of owning and operating a small business. Thus I know the complexities and challenges of being a small businessman. I think this perspective would be invaluable to the Rehabilitation/Redevelopment Board as it proceeds to shape economic policy for our city.

As the owner of a business on Newport Boulevard, I employ seven people. My business demands interaction with my clients and through this experience I have gained an understanding of community needs.

I wish to represent the desires and needs of Costa Mesa residents and business owners by seeking the betterment of our community. I have lived in Costa Mesa for over 20 years. My wife, my children and I have our hearts in Costa Mesa. We plan to remain here. I am at a point in my business career and my life where I want to give back to the community that I love.

2. Experience and Qualifications

- As a small business owner I have a finger on the pulse of the community through my client/community/residential relationships.**
- I am very experienced with the challenges and complexities of running a business.**
- I am very well networked within the business community and could perhaps help the commission access those individuals who would be helpful to the organization**
- As an employer, I can bring that perspective to this committee and help the commission to understand the challenges employers are facing in this difficult economic environment.**

In sum, my experience as a small business owner and being a resident of Costa Mesa with a strong network in the business and residential community, I believe I would be an asset to this commission.

Sincerely,

Bernard Rubio

1. Indicate why you wish to serve on this Commission/Committee/Board

For 34 years, I have lived in or around Costa Mesa. As a result, I have a deep sense of affection for this city, and I am proud to call Costa Mesa "home." Because I realize how fortunate I am to reside here, gratitude now drives me to give back and help make Costa Mesa a place for others to also enjoy.

I wish to serve on this particular Committee for two reasons: (1) I am qualified to be a valuable asset, and (2) I am highly interested in the objective.

My academic and professional experiences enable me to make immediate and meaningful contributions towards the advancement of the Committee's objectives. In particular, I majored in urban planning and design at UCI, I excelled in local and federal governance classes in law school, and I have been a real estate attorney for the last 3 years.

Perhaps even more significant that the fact that I *can* do the job well is the fact that I *want* to do the job well. In fact, I possess a profound personal interest in redevelopment. I have spent countless hours renovating my own home, as well as, many other homes of friends. I now hope to participate in this process on a grander scale because I believe that improving the physical quality of structures can enhance the emotional quality of life for us all.

For all of the reasons expressed herein, I wish to serve on Costa Mesa's 3R Committee. Your consideration of my application is greatly appreciated.

The reason I want to serve on the Senior Costa Mesa Committee Board is because I am a 69 year old senior. and I am physically and mentally healthy. I feel lucky and want to help others feel good.

At the age of 52, I was diagnosed as severely disabled. I refused to be ill and worked for a few years to get myself in shape. It was a long, hard road but I had gifts of accomplishment every day no matter how small.

I started working out at the gym, but I had no knowledge of what to do other than ride a bike or walk. I decided to take a Yoga class at Orange Coast College and that changed my life again overnight.

I wanted everyone to experience a stretching class or Yoga which led me to Pilates and that was the start of my second career.

I enrolled in a Pilates school and studied and practiced for two years to obtain my first Pilates Certification. By then, I was feeling better, more secure and confident.

In 2000, I opened up my first Pilates business on Balboa Island and started working with seniors. Two years later my daughter joined the business and we opened up a second studio, Balboa Pilates on the Peninsula. .

I have worked with seniors, both men and women and a have relationship with the Newport Beach Plaza putting on demonstrations and helping them with their questions and concerns. I also work with the physical fitness, social director at the Plaza on a volunteer basis. I also participate in lectures at the Plaza.

Over one year ago I sold my studio on Balboa Island and kept the studio on the Peninsula. This was to free up some time to study Redcord Active, a physical fitness, scientifically proven suspension program from Norway. My daughter and I are now both certified in Redcord Active and work directly with The Neurac Institute in Princeton, New Jersey and Redcord in Norway.

I have videos of seniors in Norway working with the Redcord ropes, slings and handles and I will refer to links at the end of this proposal to give a deeper perspective and understanding of the neuromuscular revolution.

I love to work and I love people. I get more satisfaction out of helping people and educating them about their bodies and how they move and why it is important to strive for good posture, and if I had my way, posture would be the main topic of health in the schools. With good posture and mind to body understanding, you can be pain free. I know from firsthand experience.

I have worked with physical therapists for many hours over the past few years to learn more and make sure I have the knowledge to help people and never have them do something not correct for their body.. I know when it is time to suggest a physical therapist and many seniors do well with a compassionate, understanding teacher or therapist.

October 2, 2011

I can teach a Redcord Active or Pilate's class on the mat, floor and equipment for any age at any level and/or private lessons. I can also be a consultant to seniors and help them figure out what program or exercise regimen is best for their individual needs.

I have over 25 years of business experience. I love marketing; computers and internet research; and anything that comes up in everyday life regarding challenges. I believe making important decisions can be handled with compassion and common sense.

I do believe in change, fun, excitement and motivating people to encourage them to want to feel good. When people experience improvement, even the slightest, it gives them incentive and courage to move forward.

I want to serve on this Commission/Committee/Board to work with people that have interests in the Costa Mesa Senior Center Board of Directors. We can learn and work together with the same interests, goals and love for the wise, experienced people.

People will move and react faster physically, they will be happier. Improving posture, even in slight increments to get results, is a positive step for everyone including prevention of injuries and it is never too late.

Here are a couple of links to websites that I believe are incredible. The first one is the trailer for the movie, "Young at Heart" and the second one is a link to Redcord senior balance training.

I hope you give me a chance to meet in person, if I can be of service to the Community regarding Seniors, it would be a dream come true.

Sincerely,

Karen Leto

COSTA MESA SENIOR CENTER BOARD OF DIRECTORS

City of Costa Mesa
77 Fair Drive, Costa Mesa, CA 92626

1. Indicate why you wish to serve on this Commission/Committee/Board:

Since Agnes Dubberly resigned as one of your three Costa Mesa City Council appointed Costa Mesa Senior Center Board of Directors effective August 15, 2011, I would like to be considered to complete her term and join Kathleen Eric and Judi Berry on the Board.

Since January 2009, I have attended and tape recorded all Board of Director, Executive Committee and Special Budget meetings as well as attending the Senior Advisory Committee meetings. I also attended and tape recorded all City/Senior Center Task Force meetings regarding their new 5 year contract.

Prior to my attending the meetings, the Board of Directors did not comply with the Brown Act and refused to allow tape recordings of their board meetings nor did they allow the seniors to see the budgets, or any other documents. The agendas and minutes were not posted seventy two hours prior or readable from outside the building. I still have to pursue Brown Act violations.

Both Executive Director Ms. Aviva Goelman and Program Director Mr. Darryl Kim have a lengthy list of things the Senior Center members are not allowed to ask about, or comment, on such as wanting to know the actual number of "staff hours" on site. Aviva and Darryl are not always at the center during the 9 to 5 daylight hours when the seniors are using the facility. "Staff Pay" is another question that the board members should know. Also, seniors would like to know why it takes months to get a (popular) program or activity implemented.

Even without their inalienable First Amendment rights, our seniors have the right to question or comment on anything that occurs at the Senior Center; in addition to these rights, this is a City owned building funded primarily by City taxpayers and the council needs to be aware of how this property is being run.

Last, but certainly not least, the Board of Directors is often not in compliance with their own By-Laws.

Council, thank you for your consideration of my request to serve on your behalf as board member of the Senior Center. If you have any questions, please contact me.

Costa Mesa Senior Center Board of Directors

I wish to serve the City of Costa Mesa as a member of the board of Directors for the Senior Center because I believe the seniors residing in Costa Mesa are a valuable resource for all of our citizens and we as a city need to offer opportunities for the community to nurture, love, and help our seniors grow, flourish and enjoy their golden years in Costa Mesa. As the city of the Arts, Costa Mesa has a wealth of opportunities for our seniors to enjoy art, music, outdoor activities and cultural events in our city and the surrounding areas. As a member of the board of Directors, I hope to give a voice to the many seniors in our city to ensure they are taking advantage of the wonderful opportunities available through the senior center.

As an estate planning attorney, one of my main client groups is seniors and I believe this segment of our population is often not appreciated or understood. Seniors in Costa Mesa helped make the city one of the greatest places to live in Southern California but they may not be receiving the services they need- they are often targets of fraud or may have significant health care concerns and these folks need to be able to rely on their city's resources to help navigate these issues. I hope to help foster better understanding among all segments of our community and hope to help grow the numbers of citizens utilizing the many offerings the Senior Center has to offer.

Sincerely,

Roshele I. Snyder, Esq.

1. Indicate why you wish to serve on this Commission/Committee/Board:

As a Costa Mesa resident for the past seven years, I have learned to appreciate the many opportunities the city provides for involvement with the arts. Certainly the many and varied theatrical and musical performances presented at the Orange County Performing Arts Center and South Coast Repertory Theater are equal or superior to those offered at most comparable venues anywhere in the country. We have a thriving local music scene that has fostered a number of popular musicians and bands that have gone on to seek wider acclaim after having played local venues, such as the Detroit Bar or Avalon.

Continuing attention to the encouragement of art in public places is a natural extension of the flourishing presence of art, which Costa Mesa already enjoys, and I would welcome the chance to participate in a program aimed at raising awareness and heightening appreciation of related activities sponsored by the city.

Housing CBDG (3R)

1. Indicate why you wish to serve on this Commission/Committee/Board:

My interest in serving on this Housing Committee is to continue to be active in the within the community and serve in a position where my expertise will assist the Commission and Council in making the most appropriate decisions with the resources available to create sustainable, thriving neighborhoods.

In response to the current economic climate, we as individuals, families, neighbors, businesses owners, cities, and states are all looking to best utilize resources available and make the most efficient choices. I want to become more involved with the City of Costa Mesa to continue to guide the path of revitalizing neighborhoods and providing families with the ability to maintain a clean, healthy and safe environment. I want to be a part of the group helping bring the perspectives of renters, home owners and neighbor committees into an atmosphere that can provide and strengthen the existing the programs in place and provide new ideas and perspectives to reach the common goal of revitalization.

New programs are frequently created by HUD; some are exclusive for public or non-profit entities, however, many other programs are underutilized. Programs exist for apartment owners, businesses and home owners and the City of Costa Mesa, and I want to make available recipients aware that these programs exist and they are eligible to apply. These programs mostly target the same areas that generally overlap with AMI requirement's, RDA and HUD target zones. I believe through City support and working with committee groups we can also show owners and renters in the area how they also can work with these programs to improve their current condition.

Being a active member of the Urban Land Institute for five years has given me experience in finding the best land use practices around the world and bringing them to every community that we are involved in shaping. I want to continue to work with the committees to give them better information on how housing is changing from generation to generation and to help allocate resources to provide an improved living experience in Costa Mesa for this generation and the next. In Costa Mesa, like most of Orange County, we have been redesigning the fabric of building practices to create a better and more sustainable world for the next generation. I have attended the program for the Leadership for Planned Communities and Urban Infill which brought together the top industry leaders for home builder, architects, engineers, and government officials to share ideas about new innovation that can provide more affordable housing within any community. Funding sources are available in energy sectors that can allow home owners and apartment owners grants and below market rate loans to upgrade buildings for weather protection and energy efficiency.

With the fast-paced changes of redevelopment agencies and other state sources I feel this is a very critical time to make sure that our local cities are aware of other HUD programs that will be more necessary to continue scheduled projects and maintained growth of a healthy affordable housing stock.

While working at an affordable housing development company I found that my greatest satisfaction came after the housing project was complete and I was able to meet the new residents of the community. The new residents often would share stories about previous living conditions and it gave me pride to see the improvements made and the new opportunity provided.

2. Indicate any experience or qualifications you possess that might apply to the Commission/Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

My experience has been in ground-up residential and commercial development working in land acquisitions and project management. After graduation from California State University, Fullerton with a Business degree in Real Estate and Land Institute, I was able to devote full time to this pursuit by building relationships with city officials and a larger network of contractors throughout California. During this time I was responsible for projects from conception to completion and was a liaison to coordinate due diligence, budgets, and attain financing and necessary project approvals with city planning and redevelopment agencies.

Being on the front lines in Acquisitions, the changes in the economy were more pronounced than in other areas and the ability to obtain financing and market prices to continue building new apartment complexes became difficult to near-impossible for the niche. From this transition, I was inspired to research retail businesses that had the ability to be absentee owned and could thrive in any economy. After finding a leased space that had previously operated as a laundromat before closing for over a year after a fire, I completely redesigned the interior and enhanced the store's image to re-open the location with technology upgrades to efficiently manage and operate the store remotely, thus restoring local services back to the community.

In addition to the laundromat, I am the President and Co-founder of Quest Preservation. Founded in 2008, Quest was based on the principle that adding or maintaining value to any asset is a top priority. As a licensed general contractor, Quest focuses on maintaining and preserving default assets and working with local brokers on REO property repairs and value-add items. We now also complete tenant improvement and emergency repairs for property managers. In Quest Preservation's second full year of business we were able to complete over 14,000 work orders and projects for banks and asset management companies across nine states.

In line with my professional interests, I am the President and Charting member of the Real Estate and Entrepreneur Alumni Association at CSUF. Now a 100 member organization, we focus on sharing knowledge through personal experiences and how to help navigate local graduates with job placement and mentorship.

Through the Urban Land Institute I am on a Tactical Advisory Panel that helps non-profits achieve their expansion and growth goals for the next 5-10 years of their development. We help outline and troubleshoot all areas of development with experts for each receptive field of the building industry.

I hope that you were able to sense the passion I have for this opportunity and that my experience aligns with the Board's mission. I look forward to working with the Committee and would be happy to further discuss my interest and qualifications with you.

Sincerely,
Kevin Merrett
