

ORDINANCE NO. 2020-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COSTA MESA AMENDING SECTIONS 9-125 (BUSINESSES, PROFESSIONS, TRADES AND OCCUPATIONS REQUIRING A PERMIT UNDER THE PROVISIONS OF THIS CHAPTER) AND 9-128 (BUSINESSES WHERE THE DIRECTOR OF FINANCE MAY ISSUE PERMITS IN CASE OF NO OBJECTION) OF ARTICLE 1 (GENERALLY) AND THE PROVISIONS OF ARTICLE 9 (PUSHCART AND OTHER SIDEWALK VENDORS) OF CHAPTER II (REGULATION OF CERTAIN BUSINESSES) OF TITLE 9 (LICENSES AND BUSINESS REGULATION) OF THE COSTA MESA MUNICIPAL CODE, RELATING TO SIDEWALK VENDING

WHEREAS, the City of Costa Mesa, pursuant to its police power, may enact regulations for the public peace, morals, and welfare of the City; and

WHEREAS, the City of Costa Mesa desires to amend the provisions of the Costa Mesa Municipal Code to impose regulations related to health, safety and welfare; and

WHEREAS, the City of Costa Mesa desires to establish a permitting and regulatory program for sidewalk vendors that complies with Senate Bill 946 (Chapter 459, Statutes 2018) that both encourages certain small business activities and that protects the public health, safety and welfare; and

WHEREAS, the City Council of the City of Costa Mesa hereby finds that to promote and protect the public health, safety and welfare, restrictions on sidewalk vending set forth in this Ordinance are necessary to:

1. Ensure no unreasonable interference with the flow of pedestrian or vehicular traffic, including ingress into or from, residences, businesses, or public buildings, or from the street to the sidewalk, by persons exiting or entering parked or standing vehicles;
2. Allow for the effective performance of police, firefighter and emergency medical personnel services in the public right-of-way;
3. Ensure that sidewalk vending activities occur only in locations where such activities would not restrict the use and enjoyment of sidewalks and pathways by persons with disabilities;
4. Provide reasonable access to the use and maintenance of sidewalks, pathways, poles, posts, traffic signs or signals, hydrants, firefighting apparatus, mailboxes, as well as access to locations used for public transportation services;
5. Maximize public access to all of the City's natural resources; and

6. Reduce exposure to the City for personal injury or property damage claims and litigation that may be caused in whole or in part by the activities of sidewalk vending in the public right-of-way.

WHEREAS, the City Council of the City of Costa Mesa hereby finds that the unique characteristics of the City require certain restrictions on sidewalk vending at certain locations as follows:

1. The Civic Center contains the City's emergency operation center, the headquarters for the Police Department, Fire Department and other critical infrastructure, and restrictions on sidewalk vending are necessary to ensure that police and fire equipment and personnel are easily accessible and critical infrastructure is maintained and accessible at all times;
2. Restrictions on sidewalk vending at and around other capital facilities are also necessary to ensure that these facilities are easily accessible to City personnel, vehicles and equipment;
3. Fairview Park provides unique passive recreational opportunities and experiences, which unique characteristics as natural open space have been determined by the electorate of the City as now set forth in Chapter V of Title 12 of the Costa Mesa Municipal Code, and lacks hardscape or other paved areas suited for sidewalk vending, such that restrictions on sidewalk vending therein are necessary to protect the natural resources and recreational opportunities, as well as scenic and natural character of this park;
4. Many of the City's other parks are heavily used for active sporting ~~and~~ recreational activities, [including but not limited to the Costa Mesa Skate Park and the Jack Hammet Sports Complex](#), such that restrictions on sidewalk vending at active parks are also necessary to protect the health, safety and welfare of persons engaged in active sports and/or recreational activities as well as spectators of sporting activities;
5. [In addition, City parks from time to time host heavily attended special events which result in pedestrian traffic and crowding, such as the Fish Fry, so that that restrictions on sidewalk vending at such times are also necessary to protect the health, safety and welfare of persons attending these events;](#)
65. Many of the sidewalks and pathways in the City are under eight (8) feet wide and stationery sidewalk vending in these areas would unreasonably interfere with the flow of pedestrians and disrupt access for persons with disabilities;
76. Sidewalks immediately adjacent to the Orange County Fairgrounds become heavily impacted when the Orange County Fair and other events are operating, such that restrictions thereon are necessary to protect the health, safety and welfare of persons attending the Fairgrounds and utilizing those sidewalks; and

87. From time to time the City, public utilities, other authorized entities and/or persons engaging in permitted work thereon close or restrict access to and on portions of public sidewalks, pathways and other areas, such that restrictions against sidewalk vending in those areas so posted are necessary to protect the health, safety and welfare of persons in the immediate area.

WHEREAS, the City of Costa Mesa, pursuant to the provisions of the California Environmental Quality Act ("CEQA") (California Public Resources Code Sections 21000 et seq.) and State CEQA guidelines (Sections 15000 et seq.) has determined that the ordinance is not a "project" and further, that it is exempt from the provisions of CEQA pursuant to CEQA Guidelines Section 15061(b)(3) (because it can be seen with certainty that the adoption of this Ordinance will not have an effect on the environment) such that no environmental review under CEQA is required; and

WHEREAS, all legal prerequisites prior to the adoption of this Ordinance have occurred.

NOW, THEREFORE, THE COSTA MESA CITY COUNCIL DOES HEREBY ORDAIN AS FOLLOWS:

Section 1.
