## **1. PROBLEM STATEMENT**

### Fatal Traffic Collisions:

In Costa Mesa, our last success of ZERO fatalities was in 2012. Since 2015 (8 fatalities), we have had a slight decrease in fatalities with the help of OTS funding for our police department which has been understaffed, especially in the Traffic Division. We had 6 fatalities during the calendar year of 2016 and 5 in 2017. These fatalities involved a mix of factors including DUI, motorcycles, pedestrians, bicyclists and "Right of Way" violations. According to SWITRS (2017), Costa Mesa ranked 25th worst for total fatal and injury collisions out of 58 other cities in our population group.

### DUI Traffic Collisions:

In Costa Mesa, DUI continues to be a major problem. In 2015, we had 3 alcohol-involved fatal traffic collisions. Costa Mesa has always had a serious DUI problem due to numerous ABC establishments located within the city boundaries, a highly traveled freeway terminating in our city and our city roadways being used for freeway access to two large beach cities, Newport and Huntington Beach. In 2017, we saw a decline in DUI involved fatalities (2) and a rise in DUI arrests (389) due to OTS funding DUI saturation patrols and more officers educated through SFST's and ARIDE programs. According to SWITRS (2017), Costa Mesa ranked 12th worst for alcohol-involved collisions out of 58 other cities in our population group.

### Distracted Drivers:

In 2012 Nationwide, 3,328 people were killed and an estimated additional 421,000 were injured in motor vehicle collisions involving distracted drivers. An OTS Statewide Intercept Opinion Survey revealed that 36.3 percent of Californians stated that texting and talking on the cellular telephones are the biggest safety concerns on California roadways. Although we are unable to quantify the number of traffic collisions in the City of Costa Mesa related to distracted driving, we believe it is responsible for a major portion of our unsafe speed rear-end traffic collisions.

### DUID Driving:

The problem of driving under the influence while drugged continues to rise. Twenty-nine percent of all drivers killed in motor vehicle collisions, who were tested, proved positive for legal and/or illegal drugs. This percentage has been increasing every year since 2006. With the 2014 addition of the DUID law subsections, CVC 23152(e) and CVC 23152(f), we are now able to accurately track the DUID problem in the City of Costa Mesa. In 2014, 37 arrests were made for DUID or combinations of drugs/alcohol. That number nearly doubled in 2015 to 63. In 2016 we documented an increased amount of 75 DUID arrests. Because of the continued training classes offered to officers regarding DUID through OTS grant-funded training, the City of Costa Mesa had 106 arrests for DUID or Driving under the influence of a combination of alcohol and drugs.

### Motorcyclists:

Motorcycle fatalities in California have been on the increase for the past 10-years, peaking in 2008. Motorcycle fatalities increased by 1.4% from 447 in 2012 to 453 in 2013. In the City of Costa Mesa, they have had a consistent number of motorcyclists killed in the last several years, 3 in 2013, 2 in 2014, 2 in 2015 and 1 in 2016. 2017 continued the average of 2 Motorcycle fatalities. According to SWITRS (2017), Costa Mesa ranked 30<sup>th</sup> worst for total motorcycle injury collisions out of 58 other cities in our population group.

### Pedestrian & Bicyclists:

These groups are the most vulnerable to injury and death which involves a motor vehicle type traffic collision. Additional enforcement of both pedestrian laws and bicycle safety laws needs to be completed to ensure compliance. After zero pedestrian or bicycle fatalities in 2014, we had 2 pedestrians killed in 2015, 2 in 2016 a pedestrian and a bicyclist in 2017. According to SWITRS (2017), the City of Costa Mesa ranked 20<sup>th</sup> worst for pedestrian injury collisions and 5<sup>th</sup> worst for bicycle injury collisions out of 58 other cities in our population group. An improvement in pedestrian injury collisions but an increase in injury bicycle traffic collisions

Traffic Enforcement Staffing:

Police Department budgets and staffing levels have continued to reduce the number of officers on the street enforcing traffic laws. The City of Costa Mesa has been noticeably impacted by these issues and over the past seven years, we have seen a decrease in sworn and civilian personnel year-after-year. As of 2019, our actual working numbers are at 126 CMPD police officers out of a budgeted 136 positions. This down from a high of 160, 11 years ago. With these staffing limitations, the Traffic Enforcement Bureau has had to downsize as well. As of 2018, the Costa Mesa Police Traffic Bureau has begun re-staffing traffic officers to address the numerous traffic collisions and complaints from citizens. We currently have 8 dedicated traffic officers, a traffic investigator, and one Sergeant. Although this is down from 16 traffic officers 8 years ago, the added staffing has allowed for more proactive enforcement and visibility with the intent to reduce traffic collisions. It is anticipated that the Costa Mesa Police Traffic Division will receive an additional two traffic officers by the fall of 2020. This would allow for the re-implantation of a full-time DUI enforcement team.

**B. Objectives:**

	<b>Target Number</b>
1. Issue a press release announcing the kick-off of the grant by November 15. The kick-off press releases and media advisories, alerts, and materials must be emailed to the OTS Public Information Officer at <a href="mailto:pio@ots.ca.gov">pio@ots.ca.gov</a> , and copied to your OTS Coordinator, for approval 14 days prior to the issuance date of the release.	1
2. Participate and report data (as required) in the following campaigns, National Walk to School Day, National Teen Driver Safety Week, NHTSA Winter Mobilization, National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Bicycle Safety Month, National Click it or Ticket Mobilization, NHTSA Summer Mobilization, National Child Passenger Safety Week, and California's Pedestrian Safety Month.	10
3. Develop (by December 31) and/or maintain a "HOT Sheet" program to notify patrol and traffic officers to be on the lookout for identified repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. Updated HOT sheets should be distributed to patrol and traffic officers monthly.	12
4. Send law enforcement personnel to the NHTSA Standardized Field Sobriety Testing (SFST) (minimum 16 hours) POST-certified training.	12

8. Conduct DUI/DL Checkpoints. A minimum of 1 checkpoint should be conducted during the NHTSA Winter Mobilization and 1 during the Summer Mobilization. To	4

enhance the overall deterrent effect and promote high visibility, it is recommended the grantee issue an advance press release and conduct social media activity for each checkpoint. For combination DUI/DL checkpoints, departments should issue press releases that mention DL's will be checked at the DUI/DL checkpoint. Signs for DUI/DL checkpoints should read "DUI/Driver's License Checkpoint Ahead." OTS does not fund or support independent DL checkpoints. Only on an exception basis and with OTS pre-approval will OTS fund checkpoints that begin prior to 1800 hours. When possible, DUI/DL Checkpoint screeners should be DRE- or ARIDE-trained.	
9. Conduct DUI Saturation Patrol operation(s).	85
10. Conduct Traffic Enforcement operation(s), including but not limited to, primary crash factor violations.	20
11. Conduct highly publicized Distracted Driving enforcement operation(s) targeting drivers using hand held cell phones and texting.	8
12. Conduct highly publicized Motorcycle Safety enforcement operation(s) in areas or during events with a high number of motorcycle incidents or crashes resulting from unsafe speed, DUI, following too closely, unsafe lane changes, improper turning, and other primary crash factor violations by motorcyclists and other drivers.	3
13. Conduct highly publicized pedestrian and/or bicycle enforcement operation(s) in areas or during events with a high number of pedestrian and/or bicycle crashes resulting from violations made by pedestrians, bicyclists, and drivers.	6
14. Conduct Traffic Safety educational presentation(s) with an effort to reach community members. Note: Presentation(s) may include topics such as distracted driving, DUI, speed, bicycle and pedestrian safety, seat belts and child passenger safety.	2

<b>3. METHOD OF PROCEDURE</b>	
<b>A. Phase 1 – Program Preparation (1<sup>st</sup> Quarter of Grant Year)</b>	
<ul style="list-style-type: none"> <li>• The department will develop operational plans to implement the “best practice” strategies outlined in the objectives section.</li> <li>• All training needed to implement the program should be conducted this quarter.</li> <li>• All grant related purchases needed to implement the program should be made this quarter.</li> <li>• In order to develop/maintain the “Hot Sheets,” research will be conducted to identify the “worst of the worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The Hot Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. Hot Sheets should be updated and distributed to traffic and patrol officers at least monthly.</li> <li>• Implementation of the STEP grant activities will be accomplished by deploying personnel at high crash locations. <u>Media Requirements</u></li> <li>• Issue a press release announcing the kick-off of the grant by November 15, but no earlier than October 1. If unable to meet the November 15 date, communicate reasons to your OTS Coordinator. The kick-off press releases and any related media advisories, alerts, and materials must be emailed for approval to the OTS Public Information Officer at <a href="mailto:pio@ots.ca.gov">pio@ots.ca.gov</a>, and copied to your OTS Coordinator, 14 days prior to the issuance date of the release.</li> </ul>	
<b>B. Phase 2 – Program Operations (Throughout Grant Year)</b>

The following requirements are for grant-related activities and are different from those regarding any grant kick-off release or announcement.</li> <li>• If an OTS-supplied, template-based press release is used, there is no need for pre-approval, however, the OTS PIO and Coordinator should be copied when at the same time as the release is distributed to the press.</li> </ul>	

- If an OTS-supplied template is not used, or is substantially changed, a draft press release shall be sent to the OTS PIO for approval. Optimum lead-time would be 10 days prior to the release distribution date, but should be no less than 5 working days prior to the release distribution date.
- Press releases reporting the immediate and time-valued results of grant activities such as enforcement operations are exempt from the recommended advance approval process, but still should be copied to the OTS PIO and Coordinator when the release is distributed to the press.
- Activities such as warrant or probation sweeps and court stings that could be compromised by advanced publicity are exempt from pre-publicity, but are encouraged to offer embargoed media coverage and to report the results.
- Use the following standard language in all press, media, and printed materials: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.

#### **POLITICAL ACTIVITY (HATCH ACT)**

**(applies to subrecipients as well as States)**

The state will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

#### **CERTIFICATION REGARDING FEDERAL LOBBYING**

**(applies to subrecipients as well as States)**

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

### **RESTRICTION ON STATE LOBBYING**

#### **(applies to subrecipients as well as States)**

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

### **CERTIFICATION REGARDING DEBARMENT AND SUSPENSION**

#### **(applies to subrecipients as well as States)**

Instructions for Primary Tier Participant Certification (States)

1. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms *covered transaction*, *civil judgment*, *debarment*, *suspension*, *ineligible*, *participant*, *person*, *principal*, and *voluntarily excluded*, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov>).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency may terminate the transaction for cause or default.

*Certification Regarding Debarment, Suspension, and Other Responsibility Matters-Primary Tier Covered Transactions*

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. ## **BUY AMERICA ACT**

### **(applies to subrecipients as well as States)**

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

## **PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE**

### **(applies to subrecipients as well as States)**
