Subject: One Metro **WEST**

Dear Ms. Jennifer Le,

In conjunction with our upcoming May 4th, 2021 city council hearing, please use this letter as our formal request to amend the Development Agreement.

Section 4.3 of the agreement states the payment of fees (Park, Traffic, Measure Z and Fire Protection System) for the entire project be paid prior to first building permit.

For each of these fees, we request the following change:

- The fee paid prior to obtaining the building permit would be equal to proportionate amount of the fee for said phase, **plus** 25% of the fee for the next phase.

By way of example - if the proportionate fee for phase I is \$2,000,000 and the estimated proportionate fee for phase II is \$1,000,000, then \$2,250,000 ($\$2,000,000 + (\$1,000,000 \times 25\%)$) would be paid prior to issuance of the building permit for phase I.

Again, this equation would be applied to the Park, Traffic, Measure Z and Fire Protection System fee. It ensures payment of the appropriate fee for said phase, in addition to a 'down payment' on the subsequent phase. The city would always be ahead.

The public benefit package in the first phase is significant. One Metro West will be funding \$6 million in development agreement exactions, as well as constructing the park, the bike path and Sunflower Avenue in the first phase. These benefits range from \$13-\$15 million. By comparison, the entire 2020-2021 city budget for capital expenditures is \$17.5 million.

We hope you see this change to Development Agreement section 4.3 as reasonable. With this change, One Metro West will still be providing about 75% of the total project's fees, infrastructure and exactions during the first phase. We are looking forward to discussing this with the Mayor and Council.

I have included a suggested redline and amended agreement for your review. I have also included an estimated breakdown of these aforementioned fees and costs.

Looking forward to continuing to move One Metro West forward and our upcoming hearing on May 4th.

Sincerely,

Rose Equities

2.3.1 This Agreement is consistent with the CITY’s General Plan, as amended.

2.3.2 This Agreement ensures a desirable and functional community environment, provides effective and efficient development of public facilities, infrastructure, and services appropriate for the development of the Project and enhances effective utilization of resources within the CITY.

2.3.3 This Agreement provides public benefits to the City.

2.3.4 This Agreement strengthens the public planning process, encourages private participation in comprehensive planning and reduces costs of development and government.

2.3.5 The best interests of the citizens of the CITY and the public health, safety, and welfare will be served by entering into this Agreement.

2.4 Term. The term of this Agreement shall commence on the date (the “Commencement Date”) that is the Effective Date, and shall continue for a period of twenty five (25) years thereafter, unless this term is modified or extended pursuant to the provisions of this Agreement. Thereafter, the OWNER shall have no vested right under this Agreement, regardless of whether or not OWNER has paid any Development Impact Fee.

2.5 Assignment.

2.5.1 Right to Assign. OWNER shall have the right to sell, transfer or assign the Property in whole or in part (provided that no such partial transfer shall violate the Subdivision Map Act, Government Code Section 66410, *et seq.*) to any person, partnership, joint venture, firm or corporation at any time during the term of this Agreement; provided, however, that any such sale, transfer or assignment shall include the assignment and assumption of the rights, duties and obligations arising under or from this Agreement and be made in strict compliance with the following conditions precedent:

(a) No sale, transfer or assignment of any right or interest under this Agreement shall be made unless made together with the sale, transfer or assignment of all or a part of the Property.

(b) Concurrent with any such sale, transfer or assignment, OWNER shall notify CITY, in writing, of such sale, transfer or assignment and shall provide CITY with an executed agreement (“Assignment and Assumption Agreement”), in a form reasonably acceptable to CITY, by the purchaser, transferee or assignee and providing therein that the purchaser, transferee or assignee expressly and unconditionally assumes all the duties, obligations, agreements, covenants, waivers of OWNER under this Agreement, including, without limitation, the covenants not to sue and waivers contained in Sections 7.2 and 8.4 hereof.

Any sale, transfer or assignment not made in strict compliance with the foregoing conditions shall constitute a default by OWNER under this Agreement. Notwithstanding the failure of any purchaser, transferee or assignee to execute the agreement required by Paragraph (b) of this Subsection 2.5.1, the burdens of this Agreement shall be binding upon such purchaser, transferee or assignee, but the benefits of this Agreement shall not inure to such purchaser, transferee or assignee until and unless such agreement is executed.

2.5.2 Release of Transferring Owner. Notwithstanding any sale, transfer or assignment, a transferring OWNER shall continue to be obligated under this Agreement with respect to the transferred Property or any transferred portion thereof, unless such transferring

OWNER is given a release in writing by CITY, which release shall be provided by CITY upon the full satisfaction by such transferring OWNER of the following conditions:

- (a) OWNER no longer has a legal or equitable interest in all or any part of the Property subject to the transfer.
- (b) OWNER is not then in default under this Agreement.
- (c) OWNER has provided CITY with the notice and executed agreement required under Paragraph (b) of Subsection 2.5.1 above.
- (d) The purchaser, transferee or assignee provides CITY with security equivalent to any security previously provided by OWNER to secure performance of its obligations hereunder.

2.5.3 Subsequent Assignment. Any subsequent sale, transfer or assignment after an initial sale, transfer or assignment shall be made only in accordance with and subject to the terms and conditions of this Section.

2.5.4 Utilities. The Project shall be connected to all utilities necessary to provide adequate water, sewer, gas, electric, and other utility service to the Project, prior to the issuance of a certificate of occupancy for any portion of the Project.

2.5.5 Sale to Public and Completion of Construction. The provisions of Subsection 2.5.1 shall not apply to the sale or lease (for a period longer than one year) of any lot or condominium that has been finally subdivided and is individually (and not in "bulk") sold or leased to a member of the public or other ultimate user. This Agreement shall terminate with respect to any lot/condominium and such lot/condominium shall be released and no longer be subject to this Agreement without the execution or recordation of any further document upon satisfaction of both of the following conditions:

- (a) The lot/condominium has been finally subdivided and individually (and not in "bulk") sold or leased (for a period longer than one year) to a member of the public or other ultimate user; and
- (b) A certificate of occupancy has been issued for a building on the lot/condominium, and the fees for such lot set forth in this Agreement have been paid.

2.6 Amendment or Cancellation of Agreement. This Agreement may be amended or canceled in whole or in part only by written consent of all parties in the manner provided for in Government Code Section 65868. This provision shall not limit any remedy of CITY or OWNER as provided by this Agreement.

2.7 Termination. This Agreement shall be deemed terminated and of no further effect upon the occurrence of any of the following events:

- (a) Expiration of the stated term of this Agreement as set forth in Section 2.4.

(b) Entry of a final judgment setting aside, voiding or annulling the adoption of the ordinance approving this Agreement.

(c) Completion of the Project in accordance with the terms of this Agreement including issuance of all required occupancy permits and acceptance by CITY or applicable public agency of all required dedications.

Termination of this Agreement shall not constitute termination of any other land use entitlements approved for the Property. Upon the termination of this Agreement, no party shall have any further right or obligation hereunder except with respect to any obligation to have been performed prior to such termination or with respect to any default in the performance of the provisions of this Agreement that has occurred prior to such termination or with respect to any obligations that are specifically set forth as surviving this Agreement. (b) All notices shall be in writing and shall be considered given either: (i) when delivered in person to the recipient named below; or (ii) on the date of delivery shown on the return receipt, after deposit in the United States mail in a sealed envelope as either registered or certified mail with return receipt requested, and postage and postal charges prepaid, and addressed to the recipient named below; or (iii) on the date of delivery shown in the records of the telegraph company after transmission by telegraph to the recipient named below. 3. DEVELOPMENT OF THE PROPERTY.

3.1 Rights to Develop. Subject to the terms of this Agreement including the Reservation of Rights, OWNER shall have a vested right to develop the Property in accordance with, and to the extent of, this Agreement. Except as expressly provided otherwise herein, the Project shall remain subject to all Land Use Regulations and Development Approvals in effect on the Effective Date that are required to complete the Project as contemplated by the Development Plan. Except as otherwise provided in this Agreement, the permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, and provisions for reservation and dedication of land for public purposes shall be those set forth in the Land Use Regulations and Development Approvals in effect on the Effective Date or, if consented to by OWNER, those subsequently adopted or amended. OWNER shall comply with all mitigation measures required to be undertaken pursuant to any document prepared in compliance with the California Environmental Quality Act with respect to the Project.

3.2 Effect of Agreement on Land Use Regulations. Except as otherwise provided under the terms of this Agreement including the Reservation of Rights, the rules, regulations and official policies governing permitted uses of the Property, the density and intensity of use of the Property, the maximum height and size of proposed buildings, and the design, improvement and construction standards and specifications applicable to development of the Property shall be the Land Use Regulations and Development Approvals in effect on the Effective Date. In connection with any subsequently adopted Development Approvals and except as specifically provided otherwise herein, CITY may exercise its discretion in accordance with the Land Use Regulations then in effect, as provided by this Agreement, including, but not limited to, the Reservation of Rights. CITY shall accept for processing, review and action all

applications for subsequent development approvals, and such applications shall be processed expeditiously.

3.3 Reservation of Rights.

3.3.1 Limitations, Reservations and Exceptions. Notwithstanding any other provision of this Agreement, the following regulations shall apply to the development of the Property:

(a) Processing fees and charges of every kind and nature imposed by CITY to cover the estimated actual costs to CITY of processing applications for Development Approvals or for monitoring compliance with any Development Approvals granted or issued.

(b) Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals and any other matter of procedure.

(c) Regulations, policies and rules governing engineering and construction standards and specifications applicable to public and private improvements, including, without limitation, all uniform codes adopted by the City and any local amendments to those codes adopted by the CITY, including, without limitation, the CITY's Building Code, Plumbing Code, Mechanical Code, Electrical Code, and Grading Ordinance.

(d) Regulations imposing Development Exactions; provided, however, that no such subsequently adopted Development Exaction shall be applicable to development of the Property unless such Development Exaction is applied uniformly to development, either throughout the CITY or within a defined area of benefit which includes the Property. No such subsequently adopted Development Exaction shall apply if its application to the Property would physically prevent development of the Property for the uses and to the density or intensity of development set forth in the Development Plan. In the event any such subsequently adopted Development Exaction fulfills the same purposes, in whole or in part, as the fees set forth in Section 4 of this Agreement, CITY shall allow a credit against such subsequently adopted Development Exaction for the fees paid under Section 4 of this Agreement to the extent such fees fulfill the same purposes.

(e) Regulations that may be in material conflict with this Agreement but that are reasonably necessary to protect the residents of the project or the immediate community from a condition perilous to their health or safety. To the extent possible, any such regulations shall be applied and construed so as to provide OWNER with the rights and assurances provided under this Agreement.

(f) Regulations that are not in material conflict with this Agreement or the Development Plan. Any regulation, whether adopted by initiative or otherwise, limiting the rate or timing of development of the Property shall be deemed to materially conflict with the Development Plan and shall therefore not be applicable to the development of the Property.

(g) Regulations that are in material conflict with the Development Plan; provided OWNER has given written consent to the application of such regulations to

development of that Property in which the OWNER has a legal or equitable interest.

(h) Regulations that impose, levy, alter or amend fees, charges, or Land Use Regulations relating to consumers or end users, including, without limitation, trash can placement, service charges and limitations on vehicle parking.

(i) Regulations of other public agencies, including Development Impact Fees adopted or imposed by such other public agencies, although collected by CITY.

3.3.2 Subsequent Development Approvals. This Agreement shall not prevent CITY, in acting on subsequent development approvals and to the same extent it would otherwise be authorized to do so absent this Agreement, from applying subsequently adopted or amended Land Use Regulations that do not materially conflict with this Agreement and do not impose increased costs on OWNER.

3.3.3 Modification or Suspension by State or Federal Law. In the event that State, County or Federal laws or regulations, enacted after the Effective Date of this Agreement, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such State or Federal laws or regulations; provided, however, that this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provisions impractical to enforce.

3.4 Regulation by Other Public Agencies. It is acknowledged by the parties that other public agencies not within the control of CITY may possess authority to regulate aspects of the development of the Property separately from or jointly with CITY and this Agreement does not limit the authority of such other public agencies.

3.5 Timing of Development. Because the California Supreme Court held in Pardee Construction Co. v. City of Camarillo, 37 Cal. 3d 465 (1984), that the failure of the parties in that case to provide for the timing of development resulted in a later-adopted initiative restricting the timing of development to prevail over the parties' agreement, it is the specific intent of the Parties to provide for the timing of the Project in this Agreement. To do so, the Parties acknowledge and provide that Owner shall have the right, but not the obligation, to complete the Project in such order, at such rate, at such times, and in as many development phases and sub-phases as Owner deems appropriate in its sole subjective business judgment.

3.6 Conditions, Covenants and Restrictions. Owner shall have the ability to reserve and record such covenants, conditions, and restrictions (CC&Rs) against the Property as Owner deems appropriate, in its sole and absolute discretion. Such CC&Rs may not conflict with this Agreement or the General Plan. Before recording any CC&Rs, Owner shall provide a copy of the CC&Rs to the City for review and approval by the City Attorney. The City Attorney's review shall be limited to determining if the CC&Rs substantially comply with this Agreement. Within thirty (30) days after receiving a copy of the proposed CC&Rs from Owner, the City Attorney shall provide Owner with either (i) a statement that the CC&Rs comply with this Agreement ("CC&R Approval") or (ii) written comments identifying each aspect of the

CC&Rs which the City Attorney believes not to be in compliance with this Agreement (a “Statement of Non-Compliance”). If the City Attorney fails to provide Owner with either CC&R Approval or a Statement of Non-Compliance within thirty (30) days following a written request by Owner, City shall be deemed to have approved the CC&Rs and Owner may record the CC&Rs against the Property. If the City Attorney provides a Statement of Non-Compliance, Owner shall have thirty (30) days in which to respond to the Statement of Non-Compliance. Upon submittal of Owner’s response, the procedure described above for the initial submittal and City Attorney review of proposed CC&Rs shall again be followed. This procedure shall be followed until Owner either (1) receives CC&R Approval, (2) submits the compliance issues to binding arbitration pursuant to the rules of the American Arbitration Association, (3) files an action for declaratory relief in Orange County Superior Court seeking a judicial determination of the compliance of the proposed CC&Rs, or (4) an agreement is otherwise reached between the Parties allowing for the recording of the CC&Rs. The CC&Rs may run with the land and bind Owner’s successors and assigns. Except as provided above, any dispute between the Parties regarding the City’s approval or rejection of the CC&Rs shall be subject to immediate and binding arbitration pursuant to the rules of the American Arbitration Association.

4. PROJECT BENEFITS & COMMITMENTS

4.1 Public Benefits. The Project will serve to redevelop an industrial site, will provide on-site infrastructure upgrades; and will provide additional housing opportunities to residents of the City. In addition, the Project will improve the City’s open space and recreational facilities by providing the following:

4.1.1 Public Open Space: The Project will include the construction, ongoing maintenance and management of a 1.5-acre passive open space area that will be made available to the general public through dedication of a public access easement to the CITY;

4.1.2 Community Center: The Project will also include construction, ongoing maintenance and management of a 1,500-square-foot community room located in Building B that will be made available for use to the CITY and to the general public (subject to commercially reasonable rules regarding access, insurance requirements, security, etc.). [Specific terms of use TBD];

4.1.3 Sunflower Avenue Improvements: The Project will include off-site improvements to Sunflower Avenue that would include, but not be limited to, wider pedestrian sidewalks, street furniture, lighting, wayfinding and public art, pedestrian signal, pedestrian and bike crossings, improved bicycle lanes (beyond the Class II facilities required along the Project frontage) with identification and separation from vehicles, new landscaped street median pockets, and striped on-street parking along the south side of Sunflower Avenue;

4.1.4 Maintenance of Off-Site Improvements: The CITY will maintain pavement, curb and gutter; the OWNER is to maintain offsite landscaping, irrigation and other features;

4.1.5 Advancement of Development Impact Fees: OWNER shall pay all development impact fees identified in Section 4.3 to the CITY prior to the issuance of the first building permit;

4.1.6 Funding for Public Safety: prior to issuance of first building permit OWNER shall pay to CITY the sum of two million dollars (\$2,000,000.00) to be used, in the City's sole and absolute discretion, to enhance the operations of the CITY's Police and Fire departments, including, but not limited to updates to the firing range, replacement Fire apparatus, and other public safety related projects and/or expenses;

4.1.7 Funding for Community Infrastructure Improvements: prior to issuance of first building permit OWNER shall pay to CITY the sum of one million dollars (\$1,000,000.00) to be used, in the City's sole and absolute discretion, to be used toward City-wide roadway and trail improvements (e.g. Adams Avenue improvements and Citywide bike trail improvements);

4.1.8 Economic Recovery Fund: prior to issuance of first building permit OWNER shall pay to CITY the sum of three million dollars (\$3,000,000.00) to be used by the City, in its sole and absolute discretion, to assist community initiatives related to economic recovery and/or to support essential governmental functions during states of emergency and/recovery therefrom.

4.1.9 Gisler Avenue/Garfield Avenue Bridge: OWNER agrees to support CITY's objections to and actions to remove the planned Gisler/Garfield Avenue Santa Ana River crossing from the OCTA's Master Plan of Arterial Highways ("OCMPAH").

4.2 Affordable Housing. It is the intent of CITY to consider and adopt a citywide affordable housing program to require the inclusion of affordable housing, or fees in-lieu thereof, in conjunction with all new residential development. The Project shall provide one hundred six (106) of its units at rates that are affordable to lower-income families; of the total units, sixty-seven (67) units shall be reserved for very low-income and thirty-nine (39) units for low-income tenants. The Project shall not satisfy this requirement by payment of fees in-lieu thereof.

Affordable units shall be maintained in for a period of not less than forty (40) years from the date of the last certificate of occupancy of the Project at the affordability levels described in this section. Such units shall be evenly distributed throughout the Project and shall be identical to all other similarly sized units at the Project in terms of design, construction, access and OWNER provided amenities. Construction of affordable units will be proportional throughout the development of the Project, such that a proportional share of affordable units will be included in each phase of development, i.e., if the first phase of the Project is 25% of the total residential units, then approximately 25% of the total affordable units must be completed in that first phase, etc. In addition, the sizes of the affordable units shall be proportionate to the sizes of all other units within the Project, i.e., if the Project is comprised of 40% one-bedroom, 50% two-bedroom and 10% three-bedroom, then the bedroom count for the affordable units shall be similarly allocated.

4.3 Development Impact Fees.

4.3.1 Parkland Impact Fee. Each phase of the Project will be subject to the park impact fee for apartment units at \$5,000.00 per unit and shall be paid to the CITY prior to the issuance of the first building permit for said phase, in addition to a 25% 'down payment' for the next phase. The project includes a subdivision for condominium purposes that OWNER indicates may or may not be exercised. Should the OWNER determine to record a Final Tract Map and convert the apartment units to condominium units, OWNER shall pay the difference in fees between the initial \$5,000.00 per unit park impact fee and the fee in place at the time of Map recordation for condominium units. The Tentative Tract Map shall remain valid for the term of this agreement and expire coterminous with this agreement if not exercised.

4.3.2 Traffic Impact Fee. Each phase of the ~~The~~ Project will be subject to the traffic impact fee for all additional vehicle trips generated by the Project at the rate in place at the time of approval of the Project (currently two hundred thirty-five dollars (\$235.00) per additional vehicle trip) and shall be paid to the CITY prior to the issuance of the first building permit for said phase, in addition to a 25% 'down payment' for the next phase. Each phase of the ~~The~~ Project is subject to the Open Space and Public Park Impact Fee (also known as Measure Z) at the fee established by Resolution of the City Council at the time of issuance of the first building permit up to \$1.50 per square foot for said phase, in addition to a 25% 'down payment' for the next phase. The fee shall be paid to the CITY prior to the issuance of the first building permit.

4.3.4 Fire Protection System Development Impact Fee. The intent of the parties is that the Project shall be subject to the most current Fire Protection System Development Impact Fee. Accordingly, each phase of the ~~the~~ Project is subject to a Fire Protection System Development Impact fee in an amount calculated to be the equivalent of the North Costa Mesa Fire Fee study and shall be paid to the CITY prior to the issuance of the building permit for said phase, in addition to a 25% 'down payment' for the next phase; provided, however, that if a new citywide Fire Protection System Development Impact Fee study is adopted after ~~issuance of first building the payment of the fee~~ permit, said phase would be subject ~~the Project shall then be subject to~~ this new fee.

If deemed appropriate by CITY, CITY and OWNER shall cooperate in the formation of any special assessment district, community facilities district or alternate financing mechanism to pay for the construction and/or maintenance and operation of public or private improvements required as part of the Development Plan and/or payment of any Development Impact Fees. Without limiting the generality of the foregoing, for

the purposes of this paragraph, included within the definition of public improvements are street improvements, sewer improvements, drainage improvements, water improvements, other utility improvements, park improvements, trail improvements, pedestrian or bicycle improvements and open space. To the extent any such district or other financing entity is formed and sells bonds in order to finance such reimbursements, OWNER may be reimbursed to the extent that OWNER spends funds or dedicates land for the establishment of public improvements. Notwithstanding the foregoing, it is acknowledged and agreed by the parties that nothing contained in this Agreement shall be construed as requiring CITY or the City Council to form any such district or to issue and sell bonds.

6. REVIEW FOR COMPLIANCE.

6.1 Periodic Review. The CITY may review this Agreement annually, on or before the anniversary of the Effective Date, in order to ascertain the compliance by OWNER with the terms of the Agreement. The Annual Monitoring Report shall be accompanied by an annual review and administration fee sufficient to defray the estimated costs of review and administration of the Agreement during the succeeding year. The amount of the annual review and administration fee shall be set annually by resolution of the City Council.

Notice of default as provided under Section 7.3 of this Agreement shall be given to OWNER prior to or concurrent with proceedings under Section 6.4 and Section 6.5.

6.4 Proceedings Upon Modification or Termination. If, upon a finding under Section 6.3, CITY determines to proceed with modification or termination of this Agreement, CITY shall give written notice to OWNER of its intention so to do. The notice shall be given at least ten (10) calendar days prior to the scheduled hearing and shall contain:

OWNER shall be required to demonstrate good faith compliance with the terms and conditions of this Agreement. The burden of proof on this issue shall be on OWNER. If the City Council finds, based upon substantial evidence, that OWNER has not complied in good faith with the terms or conditions of the Agreement, the City Council may terminate this Agreement or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of the CITY. The decision of the City Council shall be final.

If, at the conclusion of a Periodic or Special Review, OWNER is found to be in compliance with this Agreement, CITY shall, upon request by OWNER, issue a Certificate of Agreement Compliance ("Certificate") to OWNER stating that after the most recent Periodic or Special Review and based upon the information known or made known to the Director and City Council that: (1) this Agreement remains in effect; and (2) OWNER is not in default. The Certificate shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance, shall state whether the Certificate is issued after a Periodic or Special Review and shall state the anticipated date of commencement of the next Periodic Review. OWNER may record the Certificate with the County Recorder.

Whether or not the Certificate is relied upon by assignees or other transferees or OWNER, CITY shall not be bound by a Certificate if a default existed at the time of the Periodic or Special Review, but was concealed from or otherwise not known to the Director or City Council.

7. DEFAULT AND REMEDIES.

7.1 Remedies in General. It is acknowledged by the Parties that neither CITY nor OWNER would have entered into this Agreement if either were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof. In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except damages.

7.2 Release. Except for non-monetary remedies, OWNER, for itself, its successors and assignees, hereby releases CITY, its officers, agents and employees from any and all claims, demands, actions, or suits of any kind or nature arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth and Fourteenth Amendments to the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, upon CITY because it entered into this Agreement or because of the terms of this Agreement. By initialing below, OWNER hereby waives the provisions of Section 1542 in connection with the matters that are the subject of the foregoing waivers and releases.

CITY shall promptly notify OWNER of any claim, action, proceeding or determination included within this Section 8.1, and CITY shall cooperate in the defense. If CITY fails to promptly notify OWNER of any such claim, action, proceeding or determination, or if CITY fails to cooperate in the defense, OWNER shall not thereafter be responsible to defend, indemnify, or hold harmless CITY. CITY may in its discretion participate in the defense of any such claim, action, proceeding or determination.

8.2 Environmental Assurances. OWNER shall indemnify and hold CITY, its officers, agents, and employees free and harmless from any liability, based or asserted, upon any act or omission of OWNER, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors for any violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and OWNER shall defend, at its expense, including attorneys' fees, CITY, its officers, agents and employees in any action based or asserted upon any such alleged act or omission. 8.4 Challenge to Existing Land Use Approvals. By accepting the benefits of this Agreement, OWNER, on behalf of itself and its successors in interest, hereby expressly agrees and covenants not to sue or otherwise challenge any land use approval affecting the Property and in effect as of the Effective Date. The parties hereto agree that this Agreement shall not prevent or limit OWNER, in any manner, at OWNER's sole discretion, from encumbering the Property or any portion thereof or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Property. CITY acknowledges that the lenders providing such financing may require certain Agreement interpretations and modifications and agrees upon request, from time to time, to meet with OWNER and representatives of such lenders to negotiate in good faith any such request for interpretation or modification. CITY will not unreasonably withhold its consent to any such requested interpretation or modification provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any Mortgagee of the Property shall be entitled to the following rights and privileges:

Notwithstanding any other provision of this Agreement to the contrary, no Mortgagee shall have an obligation or duty under this Agreement to perform any of OWNER's obligations or other affirmative covenants of OWNER hereunder, or to guarantee such performance; provided, however, that to the extent that any covenant to be performed by OWNER is a condition precedent to the performance of a covenant by CITY, the performance thereof shall continue to be a condition precedent to CITY's performance hereunder, and further provided that any sale, transfer or assignment by any Mortgagee in possession shall be subject to the provisions of Section 2.5 of this Agreement.

10. MISCELLANEOUS PROVISIONS.

10.1 Recordation of Agreement. This Agreement and any amendment or cancellation thereof shall be recorded with the Orange County Recorder by the Clerk of the City Council within ten (10) days after the City enters into the Agreement, in accordance with Section 65868.5 of the Government Code. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

10.3 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. Notwithstanding the foregoing, the provision of the Project Benefits & Commitments set forth in Section 4 of this Agreement, including the payment of the Development Impact Fees set forth therein, are essential elements of this Agreement and CITY would not have entered into this Agreement but for such provisions, and therefore in the event any such provision is determined to be invalid, void or unenforceable, this entire Agreement shall be null and void and of no force and effect whatsoever.

10.4 Interpretation and Governing Law. This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and

10.6 Singular and Plural. As used herein, the singular of any word includes the plural.

10.7 Joint and Several Obligations. If at any time during the Term of this Agreement the Property is owned, in whole or in part, by more than one OWNER, all obligations of such OWNERS under this Agreement shall be joint and several, and the default of any such OWNER shall be the default of all such OWNERS. Notwithstanding the foregoing, no OWNER of a single lot that has been finally subdivided and sold to such OWNER as a member of the general public or otherwise as an ultimate user shall have any obligation under this Agreement except as expressly provided for herein.

10.8 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

10.9 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter.

10.10 No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties and their successors and assigns. No other person shall have any right of action based upon any provision of this Agreement.

10.11 Force Majeure. Neither party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, other Acts of God, fires, wars, riots or similar hostilities, strikes and other labor difficulties beyond the party's control, (including the party's employment force), government regulations, court actions and pending litigation (such as lawsuits seeking to overturn the project approvals, restraining orders or injunctions), or other causes beyond the party's control. If any such events shall occur, the Term of this Agreement and the time for performance by either party of any of its obligations hereunder may be extended by the written agreement of the parties for the period of time that such events prevented such performance, provided that the Term of this Agreement shall not be extended under any circumstances for more than five (5) years.

10.12 Mutual Covenants. The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the party benefited thereby of the covenants to be performed hereunder by such benefited party.

Each covenant to do or refrain from doing some act hereunder with regard to development of the Property: (a) is for the benefit of and is a burden upon every portion of the Property; (b) runs with the Property and each portion thereof; and (c) is binding upon each party and each successor in interest during ownership of the Property or any portion thereof.

10.14 Counterparts. This Agreement may be executed by the parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the parties had executed the same instrument.

10.15 Jurisdiction and Venue. Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of Orange, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court.

10.16 Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between CITY and OWNER is that of a government entity regulating the development of private property and the owner of such property.

10.17 Further Actions and Instruments. Each of the parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either party at any time, the other party shall promptly execute and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

In the event OWNER is not a resident of the State of California or it is an association, partnership or joint venture without a member, partner or joint venturer resident of the State of California, or it is a foreign corporation, then in any such event, OWNER shall file with the Director and the City Clerk, upon its execution of this Agreement, a designation of a natural person residing in the State of California, giving his or her name, residence and business addresses, as its agent for the purpose of service of process in any court action arising out of or based upon this Agreement, and the delivery to such agent of a

copy of any process in any such action shall constitute valid service upon OWNER. If for any reason service of such process upon such agent is not feasible, then in such event OWNER may be personally served with such process and such service shall constitute valid service upon OWNER. OWNER is amenable to the process so served, submits to the jurisdiction of the Court so obtained and waives any and all objections and protests thereto.

10.20 Authority to Execute. The person or persons executing this Agreement on behalf of OWNER warrants and represents that he or she/they have the authority to execute this Agreement on behalf of his or her/their corporation, partnership or business entity and warrants and represents that he or she/they has/have the authority to bind OWNER to the performance of its obligations hereunder.
