**AGE: 49**

Attorney/Planning Commissioner

My wife and I have raised our two daughters to appreciate everything Costa Mesa offers. Today, our city faces serious challenges—a public health crisis, a struggling economy, homelessness and housing opportunities, and sober living homes.

We need a serious leader for District 6—the Eastside—who has the experience, expertise, and dedication to guide the city through this critical time.

For nearly 15 years, I have passionately served our community. I'm the Vice Chair of the Costa Mesa Planning Commission, and served as a Board member of the Costa Mesa Community Foundation for eight years. In both roles, I've made the tough decisions that keep our neighborhoods safe, grow our economy, and help our community thrive.

As a land use attorney and urban planner, I've committed my 25-year career to working with and within government to improve communities through smart planning, design, and public policy. I graduated from the University of Pennsylvania, and earned my law degree, focusing on environmental law, from Vermont Law School.

I'm proud to be endorsed by the Newport-Mesa Federation of Teachers, Mayor Katrina Foley, Mayor Pro-Tem John Stephens, Councilmembers Andrea Marr, Manuel Chavez, and Arlis Reynolds, and many community leaders.

I am ready on Day One to serve as the Eastside's first representative on City Council. I would be honored to earn your vote and trust.
