

JASON KOMALA**Organizational Change Consultant**

I've lived in Costa Mesa for 15 years. I grew up in Los Angeles and my wife was raised in San Diego. When we moved to Orange County, we were drawn to the unique diversity of Costa Mesa. I attended St. John Bosco High School in Bellflower, CA and graduated from CSU Fullerton with a BA in Management and an MBA in Organizational Leadership. I have served on the Cultural Arts Committee since 2015, collaborating on projects supporting Costa Mesa Artists.

I am inspired by our community, driven by a vision to create a bright future for my newborn son, and fueled by hope.

My areas of focus would be:

Operating as a fiscally conservative leader

Preserving Fairview Park as a natural habitat

Reducing drug rehabilitation homes

Restoring staffing to our Police and Fire Departments, anticipating the retirement of up to 40 officers in the next 12 months

Initiating a plan for multipurpose trails and supporting infrastructure

Promoting economic growth through supporting local business

I'm humbly coming to you as your public servant and not a politician. The divisiveness we have seen over the last few years works against my collaborative nature as a lifelong team builder.

I'm Jason Komala, your candidate for Costa Mesa City Council District 1, and I ask for your vote.
