I would be honored to be chosen to serve as your mayor for two years. I have lived in Costa Mesa for almost 50 years. I've reared five kids in Westside Costa Mesa.

I've served on the NMUSD School Board, City Parks and Recreation Commission, and the Costa Mesa City Council. I was Mayor Pro Tem in 2010.

Keeping our city safe and clean, thanks to our police and fire departments and City staff, is my number one priority, especially as we navigate together through COVID-19. Fiscal responsibility is also a main priority.

I currently serve as Vice Chair of the Finance and Pension Advisory Committee. I am thrifty! I am very familiar with our City's financial status and challenges including the pension problems. I enjoy reading budgets and the details for each department.

Maintaining our parks, increasing recreational, walking and biking opportunities, supporting our businesses, keeping our streets clean and working with other agency officials from the school, water and sanitation districts to make our City a destination for everyone is on my "To Do List".

I love our diversity and eclectic vibe and that is why I still live here.

What is your vision for Costa Mesa's future?

I'd love to hear from you!

You have a choice!
